

Full Page Advertisements

SEO Submission has developed an ingenious method of getting quality links for its clients called "Full Page Advertisement". This method involves the hosting of a new page which is thematically relevant to the client's website. We follow several guidelines to ensure that our clients get more than what they bargain for. Some of the principles we follow before we choose a website to host a "Full Page Advertisement" for our clients are:

- Google page rank must be above 2.
- Design and look of the site is professional.
- Content of the site needs to be relevant.
- Blogs, Directories and forums are avoided.
- Immediate inner page must have page rank.
- Websites with ad sense are to be avoided.
- Lesser the number of outgoing links in a webpage the better it is.
- Avoid sites with big pop up banners.
- Those websites to be chosen who have more than 10 pages.
- Avoid sites with HTML frames on the home page.
- We have a huge database of quality sites that we will approach for a "Full Page Advertisement".
- Our team of professionals are highly experienced and reliable. We can deliver exactly what you need in order to increase the relevant traffic to your website and double your conversion rates.
- Don't blindly believe what we are claiming? Please do go through some of our testimonials and read for yourself what some of them are saying. Only when you feel confident then hire our services. It will be our pleasure to deliver the goods and work for your satisfaction.
